

FIRE EVACUATION STEPS

Step 1: Bell signal- long intervals of 5

Step 2: Depending on where the fire is:

- If fire is at lower campus= assemble at the school gymnasium at upper campus.
- If fire is at upper campus= assemble at lower campus office and Library area.

Step 3: Remain at designated area until an “all clear” is given.

EARTHQUAKE / TSUNAMI EVACUATION STEPS

Step 1: Everyone take cover

Step 2: Bell signal – long intervals of 3

Step 3: Teachers lead students to School gymnasium at Upper campus.

Step 4: Remain at designated area (gymnasium) until a notice has been given that it is safe to return to the classrooms.
