Territorial Report Card

Talofa!

The ASDOE in its efforts to provide transparency on student performance presents the annual Territorial Report Card (TRC). Under the Every Student Succeeds Act (ESSA), report cards are just one of the components required of accountability systems. Although the department is in the process of developing its accountability system, report cards have been provided in past years and available for viewing on the ASDOE website. The report card provides student performance data for 3 Priority Areas: **Student Achievement (SBA), College/Career Readiness (Graduation & Post-Secondary Enrollment) and Student Engagement (SBA Participation & Attendance)**. Future reporting will include a 4th priority, **Student Growth**.

Terms & Definitions

***Students With Disabilities (SWD):**

Students identified through a formal evaluation that qualifies them for Special Education services and have a current Individualized Education Plan (IEP).

***Free-Reduced Lunch (FRL):**

The American Samoa Census 2010 results revealed a high percentage of economically disadvantaged families; therefore qualifying 100% of American Samoa's children as eligible for free breakfast and lunch.

***Limited English Proficiency (LEP):**

Students identified from proficiency results on the local English Language Proficiency Assessment (ELPA)

***Family Educational Rights and Privacy Act (FERPA):**

Federal regulations stipulate the protection of students' privacy when performance results are made available to the public/community. Specific guidelines are set with regards to accountability reporting to protect student confidentiality.

To protect student privacy, three asterisk (*) symbols are used when fewer than five students in a subgroup are tested. Counts for these students will only appear in the "All Students" category.

*Accountability reporting for high school is one grade level, which has been the 10th grade for many years for ELA & Mathematics. This school year, ASDOE opted to assess by the 10th grade course, Geometry, which has both 9th & 10th students enrolled. Disaggregation needed to report performance and PR by grade.
